

## LOVELY COMPLEXION.

A Clear Skin and Bright Eyes are Easy to Get.

All the beauty creams in creation won't improve your complexion if your stomach is out of order. Belching of gas and heartburn mean bad food in the stomach. Bad food means bad blood and bad blood means a bad complexion.

Try Mi-o-na stomach tablets for stomach misery, biliousness, dizziness and indigestion. They relieve in a few minutes; they make rich, red blood. They are guaranteed to cure or money back.

Read what a Kansas woman says: "I want to praise Mi-o-na stomach tablets, for I had been doctoring for over a year for stomach trouble and found nothing that did me as much good as Mi-o-na does. I only have the second box and it has relieved all pain in my stomach. For all who suffer from stomach trouble or indigestion Mi-o-na can't be beaten. You can use my name, for Mi-o-na has done a world of good for me when doctors failed."—Mrs. Cordelia B. Mann, 207 E. 11th St., Junction City, Kans., Nov. 1, 1909.

Mi-o-na stomach tablets are sold by druggists everywhere and by E. J. Jenkins for 50 cents a large box. Test samples free from Booth's Mi-o-na, Buffalo, N. Y.

## CAN'T DENY IT.

If This Had Happened in San Francisco Instead of Bryan More Than One Reader Might Doubt It.

The average man is a doubter. This is not surprising—the public have been humbugged so frequently they are skeptical. Proof like the following will stand investigation. It can not be disputed.

L. B. Kern, Bryan, Texas, says: "I cannot recommend Doan's Kidney Pills too highly, as they were of great benefit to me. Sharp pains in my back kept me from sleeping well and as the result, I felt miserable. A kidney weakness also existed and caused me great annoyance. Doan's Kidney Pills, procured from Emmel & Maloney's drug store, stopped the pain, strengthened my kidneys and brought results that were gratifying."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

It is announced that the question of the control of the Vanderbilt University cannot be compromised and that it will be threshed out in the courts.

Glen H. Curtiss, using oranges as bombs, demonstrated that a fleet of airships could wreck any warship before guns could be trained on the aerial vessels.

## Bad Feeling

very often comes from good feeding. This is especially the case when the stomach is weak and the bowels not under control.

## WARE'S Black Powder

stops the pain resulting from disorders of stomach and bowels, allays the inflammation and establishes a normal, healthful activity. It utterly destroys the bacteria that breed disease. It promptly overcomes indigestion, dyspepsia, Colic, Cholera Morbus, Diarrhea and other disorders of bowels and stomach.

"I have used Ware's Black Powder and am entirely cured of stomach trouble. I could not eat or sleep before using it and now I can eat anything I want."  
W. H. WARD, Milford, Tex.

Ware's Black Powder gives sure relief to infants suffering from stomach and bowel trouble. It is a milder form of Ware's Black Powder, tasteless and harmless. It gives new life and new strength to weak babies.

Ware's Black Powder and Ware's Baby Powder are sold in modest, plain appearing packages of moderate size. In buying them please remember that all of the expense has been put in the preparation itself, and that each small package is big with curative powers.

## Fine Art of Letter Opening.

In Russia one letter in every ten passing through the post is opened by the authorities as a matter of course. Indeed, the postal authorities of every country have experts who have raised letter opening to a fine art. Some kinds of paper can be steamed open without leaving any traces, and this simple operation is finished by re-burnishing the flap with a bone instrument. In the case of a seal a matrix is taken by means of new bread before breaking the wax. When other methods fail the envelope is placed between pieces of wood with edge projecting one-twentieth of an inch. The edge of the envelope is first fattened, then roughened and finally slit open. Later a hair line of strong white gum is applied and the edges united under pressure.—London Chronicle.

## Charity and Prudence.

The contradictions of life are many. An observant man remarked recently that he was prowling about a certain city square when he came upon a drinking fountain which bore two conflicting inscriptions. One, the original inscription on the fountain, was from the Bible, "And whosoever will, let him take the water of life freely." Above this hung a placard, "Please do not waste the water."—Youth's Companion.

## Stewed Deers' Horns.

Deers' horns when young may form a dish for human consumption. Sir S. W. Baker writes, "When the large horns of the sambar, or wapiti, are growing they make an excellent dish, first scalded to divest them of down and then gently stewed with a good sauce and a few vegetables."—London Mail.

## A Conclusion.

"Introduce me. Widows are my specialty."—Houston Post.
